First International Kaushal Mahotsav

FAQs

Background: Under the guidance of Ministry of Skill Development and Entrepreneurship, NSDC International in collaboration with Lamrin Tech Skills University (LTSU), Punjab is organizing the first-of-its-kind International Kaushal Mahotsav in a hybrid mode (online and offline) in a phased manner across the country. Upholding an ethical recruitment process, the Kaushal Mahotsav follows a very transparent hiring process. The fair covers the entire life cycle from the candidate and employer registration, screening, language testing, candidate and employer mapping, trade testing, and Job offers in the final ceremony (Details and timeline annexed).

A. Candidate Registration and related questions

1. What is the essential educational requirement for a candidate if he/she wants to register on the portal? Can BA/ B. Sc/ B. Com students also register?

This International Kaushal Mahotsav is open to all candidates, irrespective of their qualifications. So, a candidate with any qualification can apply.

2. Is there any age limit for the candidates?

There is no age limit to register for the International Kaushal Mahotsav; however, it may vary from employer to employer. The candidates will get a chance to check the age criteria while applying for the job.

3. How important is experience for a candidate if he/she is applying for an international Kaushal Mahotsav?

It is most important and also depends on the employer's requirements. Candidates with experience are preferred by overseas employers. The candidates will get a chance to check the experience requirement while applying for the job. However, fresher candidates may also apply

4. What shall be the process to scrutinize applicants' profiles?

The scrutiny will be done by the employers, with their own criteria.

5. Is there any promotional/marketing material that could be used for mobilization?

Yes, the soft copy of the marketing material will be shared for candidates' mobilization.

6. Where can interested candidates call/mail for queries?

For queries you may use the same number 8800055555 (Press 4) and 18001239626 (press 3, This number also has the IVR flow for Overseas Placement). Alternatively, can mail to queries.intl.km@nsdcindia.org

7. Will the candidates know the name of companies to whom they will be applying during the registration process?

Post the registration, the portal will be opened for the candidates to apply to the specific job roles/employers. At that time, they can see all the relevant details related to the vacancies based on their profile.

8. What would be the process if a candidate gets finally selected?

Post final selection, the employer shall go through the mandatory pre-departure orientation training along with the list of necessary documents to arrange w.r.t. countries.

B. Employer and job-related questions

9. What is the average remuneration for different countries for different job roles?

It varies from employer to employer and country to country. The salary details can be seen when the candidate is applying to the respective job.

10. Is there any higher limit fixed for vacancies for a particular country?

It is fixed by the employer at the time of registration and job posting. All salaries will be in line with the Minimum referral wages (MRW) of the respective country as per MEA guidelines.

11. What are the eligibility criteria, remuneration details, job profile, language proficiency etc.

Post the registration, the portal will be opened for the candidates to apply to the employers. At that time, they can see all the requirements based on their profile.

12. What steps will be taken to ensure the genuineness of the employer?

The employers are screened based on the details provided by them during registration. The NSDC and LTSU teams will do due diligence before the onboarding process.

13. Who will cover the costs for Visa, Work permit, tickets and initial living cost in the foreign country?

It varies from employer to employer and country to country. The details can be seen when the candidate is applying for the respective job.

C. Overall process and Interview related questions

14. What would be the level of questions asked during the interview, would it only be trade-related, or related to the country of the employer as well?

It will vary employer to employer and country to country- the interview rounds will include questions on education, work experience, personal interest etc. Trade tests and technical questions can also be asked. Details shall be provided post shortlisting.

15. Will there be any agency at foreign country from India who will support the candidates recruited in case of any emergency or grievance?

In case of exigencies, support shall be sought from the Indian embassies in the destination countries.

16. Can companies give 6 months' time after selection for learning the language? How can we help students in qualifying Language test?

It depends on the candidate's current level of language proficiency. If the employer permits, the candidates can be provided with language training.

17. Can you provide Hostel and Food facility to participating students at the Preliminary Exam Centre?

This shall be informed to the candidates at a later stage.

18. Is the fee charged from candidate for overseas placement under the International Kaushal Mahotsav?

No, there is no fees to participate in the international Kaushal Mahotsav.

19. Is there any provision of orientation training for the candidates finally selected for international mobility?

Yes, All the selected candidates will be given mandatory pre-departure orientation training.

20. How much time required to complete the formalities once the candidate gets selected for

the job?

It varies from country to country and ranges between 15 days to 6 months.

21. For closing ceremony, will the selected candidates get some financial help to commute to that place?

There is no provision as of now, it may be decided later and candidates will be informed accordingly.

22. What kind of support will be provided to candidates in terms of up gradation of their skills?

If the candidates are unsuccessful, they will be given a chance to upgrade their technical and language skills at to help them prepare for future overseas job opportunities.
