

CONTENT OF MESSAGE

Dear Candidates,

We are pleased to inform you that the company 24/7 is providing a free Training on soft skills and computer knowledge for which certificates will be given. The training will be roughly for 15 days for about 4 hours every working day during which lunch and snacks would be provided to the candidates for free. In order to enroll for the training the candidates are expected to come to Shillong Employment Exchange Office on the 11th of Sept 2023 at 11AM sharp. Since the seats are limited and are meant only for the youth of Meghalaya, we would like to encourage candidates to register themselves for the training.

Note: Kindly come with your EPIC or AADHAR or any other Government approved ID card. We would also be having a placement drive for a BPO on the same day for which job location would be Shillong. Interested candidates can come with a copy of their CV
